

BEAUTY

1990's)

So I was thinking of the word

BEAUTY

BEAUTIFUL

BEAUTIFULLY

BE U TY

Be u ti

Be You ti

Be You ti

ti? ti?

What the fuck's the 'ti'?

Be you ti?

ti?

ti ti?

titty?

Be you titty?

Be you TITTY?!?

Oh no, they wouldn't dare go there

Be you ti ful

ti ful

ta ful

te ful

to ful

tofu?

Be you tofu?

Well, it's got estrogen

Womb man

Woman

Be you ta ful

to ful

To full

Be You To Full

Not Too Full

Just full enough

Might get fat

Can't have that

Be you to Full
Be You to Fully
Be You To Full

You don't have to tell that to a mountain
Or a bird
Or the sunset
Or morning sky
Or the turquoise ocean
They know who they are
Or they are what they are
But you may have to tell it to a person

You may have to remind a woman
'Cause of what we've been through
Be You TITTY?!?

No!

Be You to Full
Be You to Fully
Be You To Full

B E A U T I F U L!!!!
