

Beach Combing

(1977)

sun going down

beach combing

sun going down on beach

kaaawa beach

camping

combing hair

shy

but can i try?

join the family

eating

laughing

together?

music

ukeleles

saturday night

and there's bound to be music

and i'm bound and determined

i'm determined not to be bound

i'm determined

that there's bound to be music in my life
