

Contempt

(1990's or 2000's?)

straighten up
or i'll hold you
in contempt
of cunt

i'll sue
and be through
with you

it's a court order
it's a courting disorder

i'm not designed
as your sporting
match
catch

this dame
is not your game
or prey
for your impersonal play

it may be a
ball and all
for you all

but the hole's
in one
and the same
part
as the heart

and the pain
makes me smart
so it's true
i'm just through
with you
