

Draw A Shape — Yours Unique

(1990's or 2000's?)

Draw a shape
Delineate the space
Shade it
Invade it
Invigorate it
Voluminous imagery
Tenacity
Vitality
Witness the magnitude
Inner - outer
Space
Explored
Displayed
Expanded
Exploded

Delve into
Deepest depths
Palpate
Every fragile fiber
And feeling
Embodying
Expressing
Infinite
Inner beings
Characters
Creatures
Creations
Layered personal postures
And perceptions
Let 'em thrive
Come alive

Detect
A transcendent tone
And texture
Mold it
Hold it
Unfold it

Let it go
Sing it
Swell it
Shout it
Sprout it
Out it

Passionate
Perfect
Relative pitch
Downwardly
And
Upwardly
Inclined
In all directions
A spring board
To catapult
A catalyst
Catharsis
An energetic
Outpouring
Soaring
Lows
To
Highs
Enlivened
Otherwise enthused
And infused
Fashion a fresh
And brilliant
Primary color
Code
Of honor
And inclusion
Revive it
Renew it
Unleash it
Dare it
Share it

Carve a configuration
Of creation
Wildly wonderful
Color it
Courageous
A cultivation
Of a kind
Of creature
Of bold
And breathtaking
Exuberant
Generosity

Try a new taste
Spiced
And inspired
With curiosity
A glimpse
Into an untouched
Hidden
Reservoir
With elemental treasures
Of your own imaginings

Recognize
And harmonize
A melody
So fiercely moving
As you wake
From visions
Prolific wanderings
Shocking searing sounds
And succulent
Symphonic secrets
Of your most intimate dreams

Shake
Quake
Vibrate
Your signature rhythm
And life blood
Pulsing through
Your very vibrant veins

And organic
Inner vital organs
Impulses
Offerings
Of distinction

Vary the beat accordingly
With reverence
To yours unique
Riveting
Astonishing
Astounding
Playful
Purposeful
Inexhaustible possibilities

Take a twist
Unturned by any others
That may move you
To manifest
The magnificent music
Of your life's longing
The mystery
And rare beauty
Of your being
Freeing
