

Evidence To The Contrary

(1990's or 2000's ?)

Despite mounds
And sounds
Of resistance
And evidence
To the contrary
A query
On the existence
Of omnipotence
Puzzles
And pulls
At her heart's
Hidden
Hole
Of hopes
Shot to pieces
Ragged hopes
Still harbored
With alternating doubt
And devotion
To a nebulous notion
Of a safe haven
A heaven of loving

Iconoclastic?
Yeah, she kind of clashes
But despite appearances
Of her internal inferno
She's essentially
Truly spiritual
A miracle?

Tucked away
Wonders
Of a childhood
World
Gone weird
Toppled
And torqued

Resort
To reasons
Of insanity
And stoic disconnect
From intrusions
Of emotions
To sustain
A surface semblance
Of normalcy
At least externally
In this enormity
Of conformity
But in reality
Going through
Maniacal motions
Full frenetic speed ahead
A dead heat
To defeat
The foe
The fear
A phantom frozen fighter
From defiling
Forced one-nighters

We fathom a glitch
A wrinkle in the
Brow-
Beaten
Kitten
Pussy
Paw me?

I fear a flaw in the foal
A fatal fissure
In the fantasy
In force
Intact
In fact
A fold in the facial frontal form
That's a frown
An everlasting lull
In the sound of celebration

Slow in relation
To recovery
And discovery
Of possibilities
Of dreams redeemed

But how?
Now cowering
In a cautious corner
Tenuous
Tembling interior
Fumbling
Rumbling
Rumbling to the rage
Of reality gone bad
Right before your disbelieving
Baby brown eyes
She cries
"Mommy, the monster is not under the bed
It's on top of me
And I can't breathe"

Rumble to the roar
Of the dissonant drone
A moan in the distance
Of indifference
Run riot
To the wall
Of the ruling
Righteous?
Enduring the damage
Pick up the precious pieces
To preserve
The power to secure
Despite evidence
To the contrary
A lifeline
Refuge
Safety
A rarity
