

High So

(1980's)

High so
We know
Fly
Back to the one womb
We know
Oh
There's room to bloom
High so
We know
Fly
Back to the one womb
We know
Oh
There's room to bloom
Mana mana mana mana
Oh----oooo
Heava deva deva deva
Ah-oh ooooo
Verify
Simplify
Testify
Clarify
Rectify
Open my eye
Before
I die
Agitate
To activate
Fierce
Flame
Forces
Forward
Fast
Ffffsssssssss
Stand back
Old man
We're on the road
To our future
Unfoldment

Stand back
Old trouble
We're in the stretch
Towards our
Further
Fulfillment
Can you hear me
Shout
Once for the time
Baby could breathe fire
Fully!
Freely!
Fffffff Ssssss
Spirit
Fire
Is filled
With warmth
Woman
It's higher
It's hotter
Than hell
It helps
I tell you
Time is telling
It's pivotal
Not digital
From git go
Gotta get gall
Go on
Gain ground girl
Do it
Dare it
I want to give you
The whole thing
I want to give you
The whole thing
Ring
So clear
The sound resounds
Boundless
It's bound to sound
Limitless
Look at this
Absurdity

Of eternity
Entrapped
In a mundane
Plane
Bam
Boom
Baby better
Enter
Made
Unafraid
We're made
To move
More
Mountains
Of maternal
Momentum
And hey
Say
Son
Soon
Save
Yourself
First
Fight
Forward
Floundering
But fearless
Fetus
You know
Oh
Soon
There's room
To bloom
Betcha
Betcha
Ah
Ah ayha ayha ayha ayha
