

I Have Hands

(1990's ?)

the lesson in this life
is to be grateful
for what you've got
and give it

the lesson in this life
is to be grateful
for what you've got
and give it

the lesson in this life
is if you've got it
give it

the lesson in this life
is if you've got it

the lesson in this life
is to love it

the lesson in this life
is to love it

the lesson in this life
is to give it

if you give it
you got it

the lesson in this life
is to give it

if you give it
you got it

if you give it
you got it

the lesson in this life
is if you have a hand
you're lucky
so lend it
or you'll lose it
sooner
or later
it's the law
and fate
asks only reciprocity
