

No Flow

(c. 1980's)

Ah hanker sore
Dies and more
So slow speed to respond
Dive to the heights
Of your hidden promise
To yourself

Deny Say heat gone
No flow How he flew? So you go
Deny Say heat gone
No flow How he flew? So you go
Deny Say heat gone
No flow How he flew?
So you go

Hey heh eh
Hey heh eh oh ooo ahh

If the imbalance borders on belligerence
Better run, hon
If the one-sided
Isn't your side
Better try
Turning back-
Stepping
Start side stepping
The other's ego issue
It's crucial
For your survival

Deny Say heat gone
No flow How he flew?
So you go
Deny Say heat gone
No flow How he flew?
So you go

Woaw waow hey
Waow waow hey he
