

Oh Ya Woman Loving

(1989)

Her name is Ya Ya Ya Ya
Take her by the hand
And she'll shower you with gifts of love and child's play
Oh Ya Oh Ya Oh Ya
Life came suddenly
And one time
I heard it
Way down
In the well of my heart that
Oh Ya Oh Ya
We can laugh
And take the chance
To cry together
Sing unafraid
Fearless force bursts forth
Fearless force bursts forth
Come play with me
And let me splash you with bright colors
Flames of fancy everywhere
In the air alive
We can jump
And leap
And fly
Dance through the flames
Let them envelop us
Engulf our groin
Yeah put fire to our butts
Set fire to our souls
No fear
The joy and life
So vibrant
And sure inside
Will surround us
Protect us to play
Wild child run loose
To play
To play joyfully
Finally
Hey child
Got the lightning?
What can it be?
What can it be?
Something to soothe us
To fill us and heal us

Something to soothe us
To fill us and heal us
Fire to warm us
To help us
To heal us
Fire to warm us
To help us to heal us
Passion to fire us up and alive
Wild flames of life on the loose
Playful power
Bursting abandon
Playful power
Bursting abandon
Oh Yeah Oh Ya Oh Ya
Ah walls
Don't alarm us with limits
Our fire will survive
Nothing can contain
The magnificence
Of our flame
Of desire for life
And I said
Watch out
Woah
Forging the nightmare
What can it be?
What can it be?
Something to soothe us
To fill us
And heal us
Something to soothe us
To fill us
And heal us
'Cause we have a right to be
And we have a right to be
Happy
'Cause we all have a right to be
And we all have a right to be
Happy
Her name is Ya Ma
Hold her in your arms
And squeeze her
And love her so good
So tender
And tight tonight

Her name is Ya Ma Woo man
So count your blessings
And honor her
With warmth
And such sweet loving
To share your secret moments
And inner reservoir of joy and kindness
Oh Ya
Her name is La La Oh Ya
Ya Man
Lucky to be loving
A woman
You are
You know
Lucky to be holding someone
Close to you
Lucky to be searching her eyes
To find a friend
Willing & waiting
To share
The grace and gifts
Of her innermost
Most gentle being
Hold me
By the hand
Oh Yeah
Oh Ya
Oh man
What a joy to feel you close
To me finally
My heart is full
With a deep and certain smile
A warmth permeating
My whole belly
And body
And being
My whole belly
And body
And being
Oh man
Oh man
Oh Ya
Oh Ya
At last
Oh Ya
Yeah

One time
Shout with joy
Lightning is dancing
With colors
The sky is alive
And I feel happy
Oh Ya
Oh Ya
So this is what
joy is
Oh Ya

Let me touch your cheek
Softly and tenderly
Oh man
Oh baby
Grandma
Oh Ya
Every being soft inside
Oh Oh Ya
Let me love you
Oh Oh Ya
Let me sing you a simple melody
Naked and unprotected

(Melodic scat: Ah La La Co La He Oh Ha Mama La He Oh.....)

Please may I have all the hands needed
To hold each baby
Who's hungry
And lonely
May I have a heart
Big enough
To open
And welcome
Everyone in need
Inside
And out of the cold
To the warmth
And safety
Of my resting spot inside
The blossom
Of my bosom
Oh Yeah
Oh Ya
Oh Ya

Long time
Race with the lightning
Oh is it near?
And how will we hear?
Someone singing silently
Crying
"Mama, I need someone to believe in me
I need you please
Oh Mama please"

Oh child
Have you known too much suffering?
And can you imagine it differently?
Make up a new game
And play in another way
Entirely
Where every single
Little baby born
For once
Wins
And wonder why
Wonder why
Nobody let you love them before
Nobody let me love you before
Baby I love you
It comes so naturally
There are times
When every flower flourishes
And every baby blooms
There are times
When nothing
Is an impossibility
So hey walls
Don't alarm us
With limits
Our fire will survive
Nothing can contain
The magnificence of our flame
Of desire for life
And I said
Woah
Watch out
Call the lightning
Can it be?
Yes it can be

Something to soothe us
To fill us
And heal us
Fire to warm us
To help us
To heal us
'Cause we all have a right to be
And we have a right to be
Happy
