

## Parted

(1990's or 2000's ?)

Past the cavity of pity  
A purpose awaits  
Once upon a time  
I parted company  
With myself  
On the road  
To ruin  
And repair

Hampered by a host  
Of ghosts  
Hovering  
At the vast internal  
Hypothetical horizon  
Diaspora  
Of ubiquitous spirits  
Sacrificial  
Salvageable

Clarity  
Parity  
Please  
Peace  
I implore you
