

Pour My Blues Away

(1991)

Oh oh
It was the loving time you know
Ee ee
It was the loving time to see
Oo oo Oo oo oo
It was the loving time to
Pour my blues
Pour my blues
Pour my blues away

Nothing like a kindred soul
With warmth and vision I found
Nothing like when
Potent powerful
Loving abounds
And with his spark of brilliance
That brightens your life
Nothing like deep sweet
Loving tonight
To pour my blues
Pour my blues
Pour my blues away
Pour my blues
Pour my blues
Pour my blues away
Oh oh oh ma la la
Eh eh eh ma la la
Da du da nu la ma na na eh oh oh

Oh oh
It was the loving time you know
Ee ee Ee Ee Ee
It was the loving time for me
Oo oo Oo oo Ooo
It was the loving time for you
To pour my blues
Pour my blues
Pour my blues away
To pour my blues
Pour my blues
Pour my blues away

Nothing alike a special friend
Of massive spirit I found
Nothing like when the music
Of loving resounds
Nothing like the drums
That make you come all alive
Nothing like
Dancing with abandon tonight
To pour my blues
Pour my blues
Pour my blues away
Pour my blues
Pour my blues
Pour my blues away
Nothing like a trusted
Wise
Intimate friend I found
Nothing like a unique joy
Joyful man around
Nothing like someone
Who moves your song and soul inside
Nothing like
Pregnant passionate
Loving tonight
To pour my blues
Pour my blues
Pour my blues away
Pour my blues
Pour my blues
Pour my blues away

Nothing like being held
In a good mans arms
Nothing like someone gentle
Generous
And warm
Nothing like a so soulful man
For my heart
A man of penetrating truth
Inspired
Funny
And smart
To pour my blues

Pour my blues
Pour my blues away
Pour my blues
Pour my blues
Pour my blues away

Oh oh
It was the loving time you know
Ee ee
It was the loving time you see
Oo oo
It was the loving time to
Pour my blues
Pour my blues
Pour my blues away
Pour my blues
Pour my blues
Pour my blues away

Nothing like a kindred soul
Of warmth and vision I found
Nothing like when the music
Of children resounds
Nothing like
The drums that move your song
And soul inside
Nothing like dancing
With abandon tonight
To pour my blues
Pour my blues
Pour my blues away
Pour my blues
Pour my blues
Pour my blues away
