Select a synopsis  
Devoid of disaster  
The dreaded drama  
Is old  
And it's over  
Like it lighter  
Love the loving  
Lasting  
Informed laughter  
Lingers  
And intrepid intention  
Tends  
To send  
Sprouts spiraling  
Projectiling  
Shooting inward  
Upward trajectory  
Towards something stirring  
While death induced doubts  
Dissipate  
Lives learn a lesson  
To loosen  
Abate burial  
Loads lift  
Swift  
No need to fear  
Wait  
Hesitate  
The speed of release  
Is increased  
Change is imminent  
If only impermanent  
A taste of sweetness  
And perception of such  
Is our collective  
Or active
