(1980's or 1990's ?)

hon
my
oh
wow
love
and
oh
ah
savor
hon
my
oh
wow
love
and
oh
ah
savor
no drink
give me a buzz
like your juice does
no drug
or drink
give me a buzz
like your juice does
i love your love
move it here man
hear me more man
you move me more
man
you can
satisfy me most
i'd die
for a dose
of your close
touch
it's much
more than before
i've had
i want it bad
i want you bad
