He's Off....

Painting

An International Exhibitionist

And Professing

Molding our youth

For decades accumulating Buddhas

Or Butohs?
I mean Kudos for his Class
No
I heard they fired his illegitimate
Illegal
Alien
I mean Asian
Carc-ass
It was reported
The man was deported
'Cause he's a terrorist
With the Chinese Mafia no less
And what's more
Surely the spurious son
Of a has-been whore
Geisha concubine
Combatant composite profile
Of a Afghani enemy
Front line
Serial swine
A sinister senior Siamese
Back-stabbing
Barrio-breeding
Bed Stuy Balinese

A Bangladeshi

A fiend from Barbuda
A barracuda
Thief Eek
Look at those teeth!
A salivating
Savage beast
Of sorts
At least

A very sorted
Suspicious type
Despite
His forged
Middle-of-nowhere
Kansas
Quasi-academic
Alias credentials
Infiltrating a fine faculty
Indeed!
An Art and Design Crafty
Career cover design
For a ruthless
Underground plot
I spot it a mile away
That Complexion
Of Insurrection
Suicide bomber
Written all over his face
With a trace
Of tell tale signs
And sales
Of opium
To boot
And shoot
Illicit guns
Daggers
Drugs
International thugs
Heathens and Hoodies
and Hoods
In our God-fearing
Neighborhoods
Raising Cain
And cartel cash
To bankroll
The next hijacks' attacks

Oh, but I thought everyone loved him
Love him?
Oh sure

'Cause it appears he's so exotic
Ethnic
Erotic
Lascivious stock

And Officially
Mr. Emeritus

Impostor!
Subversive
Unauthorized Race
Look at that face
It's Dubious
Unscrupulous
And those paintings he pretends to paint?
Cryptic cartoons crafted
With secret messages encoded
To Tibetan Dalai Lama Al Qaeda

Cells of Sikh Samurai insiders

And worse

Shim-Embodying his Dalit

Worldwide web caste

A biased blast

Of his Family's

Harassed

Interned

Confined

Confirmed

Minidoka

Criminal Past

Historical Proof

By association

At last

And besides

He drives too slow

Or is it too fast?

I don't know

Drives me crazy

You know how they do

Who?

Oh those Chinese North Koreans

You see 'em

Been stuck behind 'em

Get them off our highways

Or sky high gas prices

Are sure to be raised

Shhimomura

Oh don't worry about him anymora

He's through

He's Tired

Retired

Shhh

Tired of this Shhh

Same ol' Shhh

Tired of this Shhh

He's ready for a rest

Shhh
For peace
And quiet
Shhh zzzzz

I defy it!
I don't trust it
For a minute
Tired?
Shhh
Retired?
Shhh
No
He's Retooled
Revitalized
Reseeded
Reproducing!
Reignited
With hate
To Retaliate
Immigrate to the Empire State
To instigate
Feigning a brief
Innocuous NYC shopping spree
But Heee... He's surreptitiously scheming
Wielding job-killing causes
Ramming rabid regulations
To disrupt our most revered
Vital free market:
Yellow Rat Bastard
478 Broadway
Prices can't be beat
Way below minimum wage
And age
Yea!
Unless Shimomura gets his way
Shhhh
Shame
Shame-omura
Destroya
Job Destroya

Shimomura infiltrating the Big Apple
With deadly
Diverse demon seed
Quick call Monsanto
To sue him
Undo him
Weed out his e-coli
Off-color
Contamination
Of our flounders
I mean Founders'
Untainted
Colonial crop
And crusade
Quick
Before he goes viral
Exterminate him
Stop him
Stop!
Chop Chop!
Chop Chop!

NYU Secure our borders
Before Shimomura invades
As a scandalous
Unprecedented
Con
Artist-in-Residence
Insulate our Institution
Defend what's dearest to our hearts:
Our Endowment
Before he Occupies
Everything
Avert the damning headlines:
NYU Resident Con
Artist
Kills Stillborn Babies
Occupies
NYU Youth's
Unborn
Malleable Minds

Sound the alarm
Shimomura's armed
With perilous
Infectious
Critical Thinking!
God forbid!
Unleashing Intellectual Endorphins
Spawning unimaginable
Creative Abandon
Applying Iranian arsenals
Of nuclear fission
Trigger fusion
Miscegenation
Mixing crazy colors
And queer collateral coalitions
Amplify Raging Raga
With that dark and dirty
Blues
Jazz
And Hip Hop
Stop!
Ooo
He's gyrating
Agitating for the ultimate undoing
UnGodly
Unspeakable
Ssss Samoan
Same Sex
Student Loan Relief!
Good God!
Good grief!

And what's more Ahh...
He's decrying
The lying Ryan bill
Calling out Oriental
I mean Evangelical
Vaginal probes
Turning a perfectly legitimate
Pious state rape mandate
To tumultuous ultrasound battlegrounds

And rallying alien swing votes
Of recidivist felon parolees
As they pirate
And tote free bootleg IDs
Gasp --- Get the authorities
All Votes Must be Redacted
For National Security
Urgent, call The Donald
Fire everyone
Trump, descend your ubiquitous towers
Power this case
Bigger than Birthers
All the way to the Supreme-acy Court
Thomas
Scalia
Our 5 to 4 last resort
Shheriff Joe Arpaio
You must enforce
Oh pedigree party GOP
Of our G-O-D
You must endorse
Zero tolerance
Commit to Mitt
Or Mitt, Commit
or Shhhht
Someone sketch something
That'll stick-
It to Shimomura
A constitutional imperative
Must Must Must Force
Shimomura to irrevocably
Self-Deport!
Exile him back to Siberia
Or Iran
Or Liberia
Or Hiroshima
Or Nigeria
Or Tunisia
Or whatever evil axis he's from
Or Guantanamo Bay
