

Terrestrial Tongues

(1990's)

He spoke to her
In terrestrial tongues
Earthy intimate uttering
And offerings
Whisperings
And wanderings
Welcome
Close comings
Together
And goings
Straight to the heart
Of the heat
Roots
Dug
Delved
In duo
In conscious
Concert
Down
Deliciously
Deep
Steeped
In sizzling
Persuasion
Of their souls'
Ever longing
And loving
