

## down to the bone

(c. 1980's)

speak  
push it down  
fly  
riot

speak  
push it down  
fly  
riot

impress to express  
all  
and more  
down to the bone  
alone  
i hate to ache

it's fair to say  
so hard to pay  
from the heart  
of the matter

matters most that way  
though  
i say  
you know  
i can't yet let you go  
oh
